1) Tax Loophole Investigation that Costs Taxpayers Billions, Benefits Illegals (article with 12 embedded videos)

This is a series of 12 videos (and accompanying stories) about a TV station in Indiana that has investigated a legal loophole being used successfully by illegals for "additional child credit", claiming nieces and nephews as dependents and getting huge tax rebates from the IRS.

[Thanks to Ken K of Nevada for alerting me to this. Please send it on to others. Let's help this go viral.]
